

# EMILIO RIVERA MACÍAS

Graduate Computer Systems Engineering

## Location

- Mexico
- Relocation Availability

## Languages

- English: Advanced
- Spanish: Native

## Skills

- C/C++
- Python
- JavaScript
- Linux
- Bash
- React, Astro, Next.js, Vue & Tailwind
- Docker
- C# .NET
- Django, Flask & SQL Alchemy
- SQL Databases
- Postman
- Git & Gifflow
- Continuous Deployment and Cloud Computing
- Java
- OOP
- Data Structures

## Aptitudes

- Leadership
- Confident
- Social
- Great Communicator
- Responsible
- Initiative
- Inquirer
- Curiosity
- Adventurer

## ABOUT ME

I'm a determined person who is constantly looking to acquire knowledge, improve my skills and learn new technologies to become a high-value professional in the software development industry.

I'm an extroverted person that enjoys socializing, meeting new people and communicating with my partners and friends. Also, I enjoy exercising, going out to hang out with my friends or traveling to the mountains for a hike, making me a very proactive and adventurous person.

## EXPERIENCE

### Engineering Repository API

2023

Managing, designing and development of an API as the backend for the engineering repository for the IBERO Puebla community.

### Mobile Apps for FISAIR Air Humidity Control

2023

Collaborating on the designing and development of mobile applications for FISAIR Puebla.

### Appointment Management Desktop App

2024

Designing and developing an appointment management system for a nutrition clinic.

### Web Development Projects

2024

Collaborating on the designing and development of multiple web pages and a web application for various clients.

## EDUCATION

### IBERO Puebla

2020 – 2024

- I finished studying Engineering in Computer Systems with an average of 9.51.
- Former member of the "MES" Representative Student Council for the Computer Systems, Mechatronics and Electronics Engineering careers.
- Former Webmaster and member of the executive committee of the IBERO Puebla's IEEE student branch.
- Outstanding score in the EGEL Plus Software Engineering Exam.

### American School of Puebla

2005 – 2020

- I achieved an average of 9.57.
- Studied the IB program.
- Formed part of the Honor Society and Scientific student groups.
- Obtained a score of 623 in the TOEFL ITP Exam.
